Two towering trees of the Korean economy, founding chairman Choi Jongkun and former chairman Chey Jonghyon. The founding chairman planted firm roots for SK in this ground and the former chairman fertilized them with dreams and hopes to grow small trees into giant ones.

Now, global SK has become a huge forest that fosters happiness.

From planting roots in barren soil to becoming a large forest, we reflect on SK's history and the spirit of the founding chairman and the former chairman.

SK 기념관
SK Heritage Museum

1F

Symbolizing the establishment of Sunkyong Textiles, the predecessor to SK Group.

Founding the Business

You can feel the indomitable entrepreneurship of Sunkyong, which started with looms that were reassembled from broken parts collected among the ruins of war.

2F

Introducing the history of the growth of SK between 1953 and 1973, which laid the foundation for the group's development through expansion and diversification.

Foundation of Sunkyong Group and Building a Base for Growth

We introduce the history of the growth of Sunkyong Textile, which evolved from a small textile factory into a leading textile group.

Chairman's Office

You will feel the grand dreams of founding chairman Choi Jongkun and former chairman Chey Jonghyon in this replica of the chairman's office located at the main building of Sunkyong Textile's Suwon Plant.

B1

Introducing SK's growth from 1974 to 1998, themed highlights, and SK's present and future as well as management philosophy.

Sunkyong's Energy and Chemicals Become the Heartbeat of the Korean Economy

We introduce the history of SK's growth from 1974 to 1991 when the group took its second great leap by pursuing vertical integration from oil to textiles.

Paving the Way for an ICT Society

We introduce the history of SK's growth from 1992 to 1998 when the group secured two significant growth engines by developing its energy and chemicals business as well as entering into the information and communication technology industry.

Spirit of Indomitability and Passion

Learn about the indomitable spirit and passion of SK through stories of overcoming obstacles with obdurate resilience.

Separately and Together

You can find out about SK's affiliates and overseas businesses that are showing great performance separately and together across various sectors.

Spirit & Culture

We introduce SK's management philosophy and corporate culture, including SKMS and social contribution, which became the foundation for the continued growth and development of the group.

Library

You can check out exhibits that tell various stories about SK's history, including company magazines and books.

History snap

You can commemorate your visit by taking pictures with the backdrop of a space rich in the history of SK.

Vehicle Exhibition

You can view the vehicles that were used by founding chairman Choi Jongkun and former chairman Chey Jonghyon.

Memorial Hall

A place to honor and commemorate founding chairman Choi Jongkun and former chairman Chey Jonghyon.

Towering Trees (巨木)

A sculpture in tribute to the brotherhood management demonstrated by founding chairman Choi Jongkun and former chairman Chey Jonghyon, who were called leaders of Pae-gi and intellect.

Life Story of Founding Chairman Choi Jongkun

We introduce the life of founding chairman Choi Jongkun, who was passionate and defiant yet warm-hearted, through his anecdotes and belongings.

Life Story of Former Chairman Chey Jonghyon

We introduce the life of former chairman Chey Jonghyon, who committed to cultivating talent like one would grow a tree to fulfil his dream of becoming the best country and the best company, through his anecdotes and belongings.

A Beautiful Partnership

We look back on the beautiful partnership between founding chairman Choi Jongkun and former chairman Chey Jonghyon, who were tight-knit brothers as well as perfect business partners.

In Memory of Two Leaders

We remember and honor founding chairman Choi Jongkun and former chairman Chey Jonghyon through their own words and interviews with their friends.
